### Snake Catching Sticks...

Our Club donated Snake Catching Sticks to the snake catchers in the city. Before this sticks they were risking their lives by catching snakes by hand made sticks which were according to them is non reliable and way too risky. With the help of this new and improved sticks they can fearlessly take over on snakes and can save the lives of peoples and the snakes too.

They thanked our team whole heartedly.

### Donation of Ceiling Fans

Our club donated 12 ceiling fans to Devaliya Primary School. Early Act club also joined their hands in this project. The students were happy to receive the gift. The official of the school thanked us for this kind donation.

## Rotary Facts History of the Rotary Bell

In 1922, U.S. Rotarians organized an attendance contest; the challenge was that the losing clubs would join in giving the winning club a prize. The Rotary Club of New York City

was declared the winner and to them was awarded as a prize a bell from a popular patrol boat, which was placed on wood that came from HMS "Victory", Admiral Nelson's vessel at the battle of Trafalgar.

Since then, the bell used in Rotary meetings started to represent, as on the ships, order, discipline and the time to guide us through the weekly hour and a half meetings. The bell informs us with its sound the beginning of the Rotary meeting, at which time people present should stand, same as at the end, in order to salute the national and Rotary flags. The gavel symbolizes the authority invested in the Rotarian elected to the highest position in Rotary, and through him, reminds those present of his authority. When presidents transmit their positions to their successors at the end of their mandate, they give the bell their last hit turning the gavel over to their successor, symbolizing the transfer of authority.
